## Consumption

Out-door life and Scott's Emulsion of Cod-liver Oil with Hypophosphites have cured thousands of cases of consumption in the early stages. They cure old, advanced cases too; but not so many, nor so promptly. When a case is so far advanced that a cure cannot be made, even then SCOTT'S EMULSION checks the rapidity of the disease, relieves the pains in the chest, reduces the night sweats, and makes the cough easier. In these cases it comforts and prolongs life. Don't experiment with cures that destroy the digestion. Pin your faith to the one remedy which has been THE STANDARD FOR OVER 20 YEARS.

Book about it free for the asking.

For sale by all druggists at 50c. and \$1.00.

That widely-traveled and judiciously-minded British novelist, Anthony Trollope, wrote to the London Times "many years ago:

"Of all the sights on this earth of ours which tourists travel to see—at least of all those which I have seen—I am inclined to give the palm to the Falls of Niagara. In the catalogue of such sights, I intend to include all buildings, pictures, statues and wonders of art made by men's hands and also all beauties of nature prepared by the Creator for the delight of his creatures. This is a long word; but, as far as my taste and judgment go, it is justified. I know no other thing so beautiful so glorious and so powerful."

This, the first low rate of this year, gives a rare opportunity, to visit this the world's greatest natural wonder. Ask Q. and C. agents about it, or write to Chas. W. Zell, D. P. A., Fourth and Race, Cincinnati.

## MANY THINK!

when the Creator said to woman, "In sorrow shalt thou bring forth children," that a curse was pronounced against the human race, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary. Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength.

## MOTHER'S FRIEND

## Ministers Should Use Dr. Miles' Heart Cure.

THERE IS NO PROFESSION, whose labors so severely tax the nervous system, as that of the ministry. The derangement of the nerve centers of the brain by over work, frequently brings on attacks of heart trouble, and nervous prostration. Rev. J. P. Kester, M. D., Pastor U. B. church, London Mills, Ill., himself a physician, writes Feb. 26, 1895: "Heart affection and nervous prostration had become so serious last fall that a little over work in the pulpit would so completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely. Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' New Heart Cure alternately with Dr. Miles' Nerveine and derived the greatest possible benefit. I have just closed revival work of 10 weeks, preaching nearly every night and twice on the Sabbath. I can speak for hours without suffering as I formerly did. Hard working ministers should keep Dr. Miles' grand remedies on hand."

Dr. Miles' Heart Cure is sold on guarantee, first bottle will benefit or money refunded.
